**WATER
SAFETY WEEK**
20th – 26th
February

WATER SAFETY WEEK

With the current spike in holiday drowning's, it is now more important than ever to teach our children how to swim and rescue around water. It is important that you and your child understand and respect different aquatic environments so join us during this week and have discussions with your child about water safety. Below are some great sites to kick off your discussions.

[Beach safe](#) – they also have a great APP you can download.

[Safety - At the pool, At Home and Out and About](#) – a great site provided by Royal Lifesaving

WATER SAFETY WEEK

- **Come dressed as your favourite SUPERHERO during Water Safety Week.**
- We will be covering topics such as: rescues, survival strokes, talking to them about what different signs at the beach mean, fitting personal floatation devices and swimming with a parent.
- Please remember to attend your lesson in some old clothes. This mimics a more realistic scenario to prepare your children for different dangerous situations and scenarios.

JOIN US AND COME DRESSED AS YOUR FAVOURITE
SUPERHERO DURING THIS WEEK

WELCOME BACK to TERM ONE

We hope you have all had an enjoyable summer holiday break. Over the summer we have been stressing the importance of safety and respect around water. If you have not already liked our Facebook page, please have a look to see some of the messages we have been sending.

ACCESS TO THE POOL

If you are starting lessons for the first time in term 1, please remember to arrive 15 minutes early to collect your access card from Surrey Park reception before your lesson. Families with prams will need to collect a "check in" card from us to hand to Aqualink reception for admittance as prams do not fit through the turnstile.

You may have noticed our turnstile is working better. We upgraded our server to make it recognise your card faster. Please remember student cards must be scanned first followed by parent cards. If a student card "double scans" then the parent card will need to be used to let the student and parent into the pool. Cards will not work if there is money owing on your account.

SUPERVISION of your CHILD

Aqualink Box Hill instates the "watch around water policy". What does this mean? Children under 5 must wear a yellow wrist band and be within arm's reach of an adult at all times, even if they are not swimming. Children 10 years and under must be "actively supervised" and are not allowed to enter the centre without an accompanying adult. This is the case even during their swimming lesson. Parents must not leave the centre while their child is attending a lesson.

Centre Evacuations

20th February
To
26th February

Aqualink Box Hill will also be running a practice evacuation during this week for staff and students to practise how to leave the centre safely and efficiently.

What do our staff and your children in lessons do?

- Our teachers follow the Aqualink Box Hill life guards instructions and keep their class together
- The class evacuates to the Canterbury road car park (or other location if notified by the lifeguards)
- The lead instructor completes a roll call to ensure all students are evacuated safely
- After the evacuation, students will either return to the pool to continue their lesson or go back to their parents

What should you and your family do?

- Listen to the lifeguards instructions
- Parents should keep an eye on their teacher and child while evacuating
- Evacuate to the Canterbury road car park (or other location if notified by the lifeguards)
- Come and find your child during the lead instructors roll call so they know where you are

TRAINING OUR STAFF

Earlier this week we ran a training session for our infant to level 2 teachers. We covered areas for improvement for the new term and discussed and brainstormed new drills and activities to use. We continually strive to get better each term. This time we had a few of our swimmers help us out by participating in a lesson. Thank you to the families who attended.

NEW STAFF UNIFORMS

You may notice we will have new uniforms in term one. In light of feedback from you and our staff, we have updated our uniforms to make us stand out more so you can find us. Lead instructors will now wear a red polo top so you can easily find them if you have a question

SCHOOL HOLIDAY PROGRAM

Thank you to all the families who attended a holiday program over summer. Holiday programs are an excellent way for swimmers to consolidate progress made during the term or a great way to introduce your child to our learn to swim program. They traditionally produce good results, particularly for those swimmers who are new to a level or close to promotion. Our April holiday program is now open for bookings. Don't forget on the day of your lesson you can stay and play at Aqualink Box Hill.

April School Holiday Program

Beginner to Level 5, and private lessons available.
Classes: 30 minutes duration between the 9am-1pm
Week One: 3rd to 7th April Cost: \$97.50
Week Two: 10th to 13th April Cost: \$78.50

Note:

Payment must be made at time of booking and we do not REFUND
Make-up lessons only possible if space available and must be completed in the week booked.

SWIMMING WITH A DISABILITY

Capped group classes:

Reduce the class size to ensure all students are progressing at a steady pace, only if notified

Discounted private classes:

A letter from your health professional recommending private lessons is required.

Community Access Program for Swimming (CAPS):

There are limited places available through CAPS that can help subsidise these classes. Students need to apply for this program by contacting the swim school manager on 9898 8876.

Multiclass Squad:

Our multi-class squad will introduce your child to competitive swimming. It's open to anyone with a physical or intellectual disability with lessons held in the indoor 25m pool.

This squad is run by our coaching team who have extensive experience with multiclass swimmers at state, national and international levels. Swimmers are encouraged to attend meets.

If your child has participated in capped mainstream classes they will progress to the junior or fitness squads.

DOES YOUR CHILD'S SCHOOL SWIM WITH US?

If your child's school does not swim with us then we have space available for them to add swimming lessons to their curriculum. Lessons run during school hours every term and cover stroke correction and water safety skills. If your school is interested, please get them to email ssmanager@surreypark.org.au

ADULT LESSONS

Have you always been afraid of water? Are you worried your child may get in danger in the water and you will be unable to save them? Adult lessons can help you get up to speed on this swimming business. We cater to all levels and abilities. Please notify reception when booking and your teacher on your first lesson if there is a particular skill you wish to master.

Some of our past students:

- A group of adults who have never been to a swimming pool were comfortable enough to swim freestyle, backstroke and introduced to breaststroke after 2 terms of continuous lessons
- One of our past students came in unable to put their head underwater and wanted to join the army. One term of private lessons and practicing between lessons had them treading water for 2.5 minutes in the diving pool with clothes on and with basic freestyle to pass the armed forces entrance test. They are now a serving member in our army.
- Learning with friends is always more fun and we do our best to accommodate you. We created a new class for a group of four adults looking to learn together. These four university students managed to master freestyle side breathing in just a few lessons.

Swimming is a skill that takes time and dedication. It is very hard to sit at a piano for the first time and play like Mozart; this is the same for swimming. The key to getting the most out of your lessons is to practise in between your class. This helps you to consolidate your skills before your next lesson.

COACHES CORNER

TWILIGHT TUESDAY series

Twilight Tuesday Racing provides an opportunity for swimmers from Learn to Swim level 3 upwards through to the Club's Junior and State Development Squads to be introduced to racing and to practice and develop their skills in a fun, nurturing environment. It is held in the outdoor pool at Aqualink Box Hill every 2nd Tuesday during Term 1 and Term 4 and starts at 4.30pm

In all about 80 swimmers spread across State Development and Junior Squads, plus Surrey Park's Learn to Swim levels participated over Term 4 including siblings of current Club members.

Many thanks to those parents who assisted by timekeeping each week.

Click [HERE](#) for the Full REPORT and times

Twilight Tuesdays will resume on 7th February. It would be great to again have good number of swimmers in attendance.

Term 1 dates are: 7th and 21st February, 7th and 21st March. Sign up for Club members and their siblings is through the Surrey Park website; others can sign up at the Surrey Park reception

Victorian Junior Talent squad 2017

The Victorian State Junior Squad has just been announced with no less than 5 SP swimmers being named as a result of the recent Victorian Age State Championships in December. Channy Underwood, Alex Hillman, Aidan Gleeson, Ryan Lobo, Hamish Langford

We have the second highest representation of any club in Victoria. A great achievement by those swimmers mentioned – Well done to you ALL

Visiting China Teams

This season we have had the pleasure of hosting the Chinese National Junior Team over the Christmas – New Year period for 4 weeks. These swimmers ranged in age from 12 – 17 years. Along with the 16 swimmers we had 8 Coaches from China who underwent some education sessions with Coach Brown.

It was great for our swimmers, both Junior and Senior, to watch and see some very dedicated and swift swimmers. There was a 14 year old girl swimmer with a PB of 1.58.5 for the 200 Free – That is Fast!

The group left on the 15th January and all had a wonderful experience.

We are awaiting the return of Fu Yanhui and her group in a few weeks. She was the Chinese Backstroke swimmer who won the Bronze medal in Rio at last year's Olympic Games.

If younger swimmers want to see some of the best swimmers in the world, come down and watch the SP senior swimmers train with the best.

Junior and State Development Intensive Program

A jam packed 3 day Junior Intensive program was run for State Development and Junior Squads in the week leading up to Christmas.

35 enthusiastic swimmers took part in swim, gym and team bonding sessions over the 3 days.

In each of the swim session the swimmers were challenged, with them setting goals and learning to be consistent with their efforts throughout the set. Gym sessions included activities such as Bike, Boxing and Skipping.

Team building exercises were plentiful to encourage and foster the Surrey Park team spirit and support within the group, as they will often see one another along their swimming journey at Surrey Park.

Highlights from the three days were a visit from Hamish McDougall from the Club's Open High Performance Squad (photographed with the swimmers) and the visit from the Chinese Junior National team who did Bike/ Box/Skip with Matt Brown.

Surrey Park looks forward to running more Intensives during 2017.

Click [HERE](#) for full report.

Sarah, Tom and Mun

Queensland State Championships

Whilst the busy week of Victorian State Age championships was unfolding in Melbourne, 4 members of Surrey Park's Open High Performance Squad ventured up to Brisbane to compete in the Queensland State Championships, which were held at the Chandler 1982 Commonwealth Games pool.

Tom, Curran, Hamish McDougall, Kahlia Marsh and Ebba Rosenquist dared to test the waters against the most powerful swimming State in Australia.

Special mention to Kahlia Marsh, who at 22 years of age, has qualified for her first Open Nationals in no more than 3 events – Great job Kahlia!

Pier To Pub – Open Water

A few SP swimmers competed with distinction at the recent Lorne Pier to Pub swim classic in early January. The following swimmers achieved outstanding finishes: Laura Davy - 1st U/18 Junior Girls, Hamish McDougall - 5th Super Fish, Tom Curran - 8th Super Fish

Also, special congratulations to our other members that swam on the day

2016 Victorian Open Water Championships

On a very cold and blustery Saturday 17th December, the majority of the Surrey Park swim team, from 10 year olds to adults, braved the worst that Port Phillip Bay could throw at them, and came out winners!

The day started with the Swimming Victoria Championship events, both 5Km and 10 Km, with all ages competing. Surrey Park swimmers performed exceptionally well with many gaining podium finishes and others coming away with the satisfaction of completing a very cold and challenging swim.

The following Surrey Park swimmers were awarded Victorian State Championship medals:

Kahlia Marsh	Female Open 10km	Gold
	Female Open 5km	Gold
Tom Curran	Male Open 5km	Gold
Aidan Gleeson	Boys 13 Years 5km	Gold
Mackenzie Hooper	Girls 13 Years 5km	Gold
Tom Harkin	Boys 14 Years 5km	Gold
Dani Smithson	Girls 15 Years 5km	Gold
	Female Open 10km	Bronze
Laura Davy	Girls 15 Years 5km	Silver

Our total medal haul for the Victorian Championship events was a very healthy **7 Gold-1 Silver-1 Bronze!**

An honorable mention to both Dani Smithson and Laura Davy, who while finishing 1st and 2nd respectively in their Age group also finished 3rd and 4th overall on the day. Well done!

A special mention to all the other Surrey Park swimmers who competed and braved the cold in the non-championship WOW Challenge events, whether they swam 750m, 1.2 km or 2.5km.

Congratulations to you all and a special thanks to our usual band of helpers who were up at the crack of dawn getting the club tent setup and supporting everyone throughout the day.

Also, to the coaching staff who were there to offer all our swimmers their expert advice – Thanks Guys!

Matt Brown
Director of Coaching

2017 Victorian Age Long Course Championships

CLICK
[HERE](#) FOR
FULL MEET
REPORT

Each December, Surrey Park's young Age group swimmers contest for the "Holy Grail" of swimming in Victoria - The State Championships.

This year the Club fielded a team of 29 swimmers in individual events, with another 5 added as Relay Only swimmers. The goal was to surpass last year's 8th Place on the coveted Club point score.

We attained this goal and then commenced our rise up the ladder. Our final position was a highly creditable 5th Victorian Club. Surrey Park is now moving back to the Top 3 position in Victoria. A position attained a few years back.

There were a huge number of "**Personal Best**" times swum by our team – a measure of our improvement. These PBs also provided swimmers reaching the Finals and the opportunity to fight for the Podium.

Surrey Park's overall medal tally for individual events was **8 Gold – 10 Silver – 7 Bronze**. 4 Swimmers become State Champions, 2 of whom, Ryan Lobo and Alex Hillman, won a staggering 3 Gold medals each! Another 4 swimmers attained Silver or Gold medals and 12 swimmers contested a State Championship final!

The following swimmers were successful in gaining Podium places or qualified for Finals:

Ryan Lobo, Alex Hillman, Aidan Gleeson, Hamish Langford, Chantelle Underwood, Connor Xu, Sophie McLeish, Ciara Walsh, Lewis Clarke, Spencer Robarts.

Special mention to Ryan Lobo, who was also named the Boys 13 Years Age Group Champion.

The Club's relay teams were also very competitive, with 7 top 10 finishes. In addition the Boys 12/Under Freestyle and Medley Relays both won Silver medals and the Boys 14/Under Freestyle Relay which achieved Bronze.

Special congratulations to the following relay swimmers:

12/Under Boys – Alex Hillman, Lewis Clarke, Sam Mathieson, James Liu and Spencer Robarts!

14/Under Boys – Aidan Gleeson, Ryan Lobo, Cooper Cheesman and Jonty Pote!

I would like to congratulate ALL the Surrey Park Coaching staff on a great result from our Age group swimmers – Keep up the good work guys!

To our parents and volunteers: swim carnivals and training requirements would not continue without your constant support.

Matt Brown
Director of Coaching

South Australian Age and Open Championships

Surrey Park sent a big team of 29 swimmers, accompanied by Coaches Kylie, Tom and Sarah, along with Managers Katie Walsh and Peta Barry, to Adelaide for our annual Camp and Competition for the South Australian Age and Open Championships from 16th – 23rd January.

This trip produced some outstanding results with many swimmers collecting medals on the podium and many swimmers attaining the ultimate; Gold.

The majority of swimmers swam at least one PB and as a result the team finished a very creditable **7th place on the club point score!**

SP swimmers reaching the podium are as follows:

Channy Underwood -	7 Gold	- 2 Bronze
Dani Smithson -	2 Gold	- 3 Silver - 1 Bronze
Aidan Gleeson-	2 Gold	- 2 Silver - 4 Bronze
Ryan Lobo -	1 Gold	- 1 Silver - 3 Bronze
Hamish Langford -	1	Gold
Matt Burns -	1	Bronze
Relays -	1 Gold	- 1 Silver

A very healthy total of **14 Gold – 7 Silver – 11 Bronze** with numerous Finals and a huge PB percentage rate – Great job to all concerned!

Special mention to our “First Time” Interstate team members, and to all our support staff for their tremendous support over the 8 days – Thank you ALL!

Victorian Open Championships

A small but determined SP team tackled the best of Victoria and many visitors from around Australia over the three-day meet. Many PB swims were recorded while the swimmers have been in a very hard block of work – a great sign for the National championships in April.

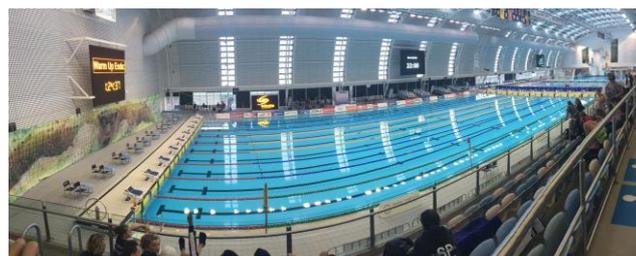

Special mention to Hamish McDougall, Kahlia Marsh, Laura Davy and Connor Xu for setting new PB's in at least one event – Well done!

Congratulations to Kahlia Marsh who smashed her PB's in both the 800 and 1500 Free events while on her way to consecutive Bronze medals – Super Effort!

Kahlia Marsh	-	2 Bronze
Relays	-	1 Bronze

Also, a special mention to our Girls Open 4x200 Free Relay who swam their way to a Bronze medal finish – Great Job, Alex Good, Kahlia Marsh, Ebba Rosenquist and Laura Davy!

A great effort for the team to finish 4th Victorian club on the Able-bodied Club Point score – Awesome Job!

MERCHANDISE UPDATE

NEW TO SURREY PARK SWIMMING

PADDED VEST

- Quilted vest jacket keeps the torso warm with excellent insulation to weight ratio.
- Fully wadded throughout.
- PU Coated shell keeps you dry and warm even in the harshest conditions.
- Mock neck collar that zips up to the chin for warmth
- Shaped 'shirt tail' adds to the design and improves fit.
- Multiple sealed zip pockets for safe storage
- \$60
- Stocks are limited so get in early

TRAINING CAP

To help reduce the cost of swimming caps we have introduced a cheaper swim cap for training purposes only.

Note: The navy Swim cap remains a compulsory item for swimmers to wear during competitions.

- \$10 only
- Quality Silicon swimming cap
- Now available

All Surrey Park Swimming Stock available to purchase from our reception desk during normal trading hours.

COMMITTEE UPDATE

Firstly, on behalf of the Surrey Park Committee, I would like to say welcome back to a New Year and term. I hope like me, many of you were able to get away and have some family time together over the holidays, that may have involved swimming but perhaps not in lanes!

As of this week all our Competitive squads have now resumed training, with term 1 swimming lessons already underway. It has been a busy couple of months for many of our swimmers competing, not only at the Victorian State and Open water Championships, but Queensland and South Australian Championships as well. There were some great results with many swimmers achieving National times and medals for the first time. I would like to acknowledge and thank the Coaches and Team managers who have worked many extra hours during these Championships and trips away

The fundraising efforts for the year help the Club support swimmers for these trips so it was wonderful to see so many swimmers assisting with the Xmas tree fundraiser in December last year. I would like to especially thank Al Smithson, David Fodor and Matt Underwood who made the very early trip to Daylesford to collect the trees on the Saturday mornings. Al even came back on the Sunday of the second week to sell the remaining few trees.

The next couple of months are busy with various competitions coming up so sign up, dive in and good luck.

FEES and PAYMENTS for Competitive Squad

Please note that all invoices are due for payment on the 14th of the each month. All coaching fees and associated costs invoiced on the 1st January are now overdue. You will have received an email regarding your overdue payment and we request that your bill is settled to ensure your child can continue swimming in their squad.

If you have any queries please email accounts at accounts@surreypark.org.au or call Sook- Phin on 9898 8876.

**DO YOU
TRAIN MORE
THAN TWICE
A WEEK?**

AQUALINK and SURREY PARK SWIMMING BENEFITS

Surrey Park Swimming Member DISCOUNTS

If you do not have an Aqualink Membership and you train at least twice a week at Aqualink you can save money by getting an Aqualink Swim membership.

As a Surrey Park member, you will receive 30% discount on upfront term memberships (3 or 12 months) or you do not pay the joining fee if you choose monthly direct debit.

If you love taking photos we are always looking for someone to capture all things Surrey Park whether it be at a meet or a club BBQ. Please contact us for more details.

OUR COMMUNITY

Meet Alex

Alex has been working with Surrey Park as an instructor for 1 ½ years.

What is something people would not know about you? I lifeguard over the summer holidays at Phillip Island and the Geelong Region.

What level do you teach? Infants

What's your favourite food? Vegetarian Pizza

What footy team do you barrack for? North Melbourne

What is your favourite stroke? Freestyle

Meet Hannah

Hannah is 10 and is a member of our Junior Squad.

What is something in training that challenges you? 5 x 50s

What do you do well in training? I am good at my warm-up, 5x50's and kick sets

How do you get on with your other tram-mates in your squad? Very well. I've made lots of friends

Main Swimming Goal: Getting JX Gold

Favourite Stroke: Butterfly

Favourite Race: Tralagon

Favourite Swimmer: Jenna Hart or Mack Horton

Favourite TV Show: Scooby Doo

Meet LACHLAN

Lachlan is 12 and is a member of our Junior Squad.

What is something in training that challenges you? 5 x 50s on 50 seconds

How do you get on with your other tram-mates in your squad? Great and fun to be with

Main Swimming Goal: Getting to State Squad

Favourite Stroke: Freestyle

Favourite Race: 50m Freestyle

Favourite Swimmer: Ian Thorpe

Favourite TV Show: international Soccer on TV

OUR SPONSORS
