

# CLUB NIGHTS ARE BACK!

With term 4 just around the corner, our Club Nights will be making a return!

As we head into the Long Course season and racing starts to pick up again, we want to host some Club Nights for all swimmers from Level 7 to our State Development Squad.

This is a great opportunity to see how a meet would typically run, whilst still on home ground. It's great for those new to racing, or those who want to test out their skills, before going to an official meet.

The night will include a short warm up with a focus on race specific skills followed by a 50m event for each stroke. Swimmers may choose however many events they would like to try. We encourage all squad swimmers to participate and practise racing in a less stressful and fun environment.

The Club Nights will be held at  
📍 Aqualink Outdoor Pool  
4:30pm-6:30pm

Night 1: Friday 6th of October  
Night 2: Friday 10th of November  
Night 3: Friday 1st of December

Available for all squads, no sign up necessary!  
An entry fee into Aqualink applies
